Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Pearl Corwin)

WITHOUT A CLAIM

HOUGHTON MIFFLIN, United States, 2014. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****. Without a Claim is a modern Book of Psalms. Indeed, the glory in these radiant sacred songs meld an art of high music with a nuanced love of the world unlike any we've heard before. No matter your mood upon entering this world you'll soon be grateful, and enchanted. In any such house of praise, God herself must be grateful. Philip Schultz, Pulitzer Prize winning author of *Failure* and *The God of Loneliness* Grace Schulman, who has been called a vital and permanent poet (Harold Bloom), makes new the life she finds in other cultures and in the distant past. In *Without a Claim*, she masterfully encompasses music, faith, art, and history. The title poem alludes to the Montauk sachem who sold land without any concept of rights to property, and meditates on our own notion of ownership: No more than geese in flight, shadowing the lawn, / cries piercing wind, do we possess these fields, / given the title, never the dominion. She traces the illusion of rights, from land to objects, from our loves to our very selves. Alternatively, she finds permanence in art, whether in galleries or on cave walls, and in music, whether in the concert hall, on the streets of New York, or in the waves at sea.
