Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When You re Depressed, You Feel Hopeless, You Don t Have Energy, And Just Getting Out of Bed In the Morning Is a Challenge But, it s critical you take care of yourself while you re depressed so you can begin to recover from your depression. How do you do that? When you wake up in the morning, what s the first thought that comes to mind? Are you dreading the day? Can you hardly move because you don t have any energy? Do you feel like the world doesn t understand you? We all go through bouts of depression. It s common now to feel depressed from time to time. Sometimes it happens when we face a challenge or disappointment in life. Other times it happens because of our brain chemistry. One thing is true if you want to get through your depression. You MUST take care of yourself while you re depressed! You must watch yourself, take care of your relationships, and take care of your body. You need to make sure that you don t let your depression carry you away into a downward spiral. The more you let your depression control you, the harder it will be to get out of it. The author of this book experienced severe depression, and used the strategies and tactics in this book to save himself from spiraling out of control. Who is this book for? This book is for people who experience mild depression that prevents them from acting the way they want to act in everyday life. This book is also for people with low to mild depression that can be managed without needing the help...
