## **START YOUR OWN BUSINESS JOBS SUCK: AN ENTREPRENEUR S GUIDE TO STARTING A HOME BASED BUSINESS WITH NO NONSENSE, REAL VOCATIONAL GUIDANCE**

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is an honest look into opportunities and the real picture of corporate America. Most jobs suck for many factors. Let me ask you have you ever worked at a company that has horrible management? The kind of manager that has no idea what s happening yet they keep their job? The corporate world has become a common dumping ground for the it wasn t me business person, no one wants to be accountable for their actions anymore or the results, well unless there good results. the best book you ll read this year, now the title jobs suck is properly named. I m giving you a real a brutal look at the ridiculous circumstances most of the world has to endure to support their families. There are an insane amount of nut job bosses, incompetent managers in the work place are a modern day epidemic, and it s out of control. I truly believe as human being we aren t meant to spend our earthly existence in a cubicle. It s unnatural, hey people protest that having animals in Zoos is not natural yet you want and expect me to sit in a small box most of my days doing some repetitive unfulfilled and mundane task. I think not, in Jobs suck we look at the current realty of our modern society and we also get into real world, real time solutions for the person who knows that they want and deserve more. Hey if you love cube life or being micromanaged this may not be the book for you. This isn t for everybody if you like 30 minute lunches and having...
