Section 1. 6: Stakeholder Involvement EPA held a stakeholder meeting on July 22 and 23, 1997. Key stakeholders included States, water systems, and equipment manufacturers. One of the two major topics in this stakeholder meeting was the initial list of compliance technologies for the SWTR. This list was presented in the stakeholder draft of this document ( EPA 815-D-97-002 ). Stakeholders were asked to review this list of compliance technologies for the three size categories of small systems. Stakeholder input resulted in several major changes to the stakeholder draft document: several of the technologies that were not listed or that were listed for a sub-set of the three small systems categories have now been listed for all size categories in this guidance document. In the stakeholder draft, EPA did...
