## **Reviews**

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

House of Anansi Press, 2011. Soft cover. Book Condition: New. Brand new. In 1968, into the beautiful, spare environment of remote coastal Labrador, a mysterious child is born: a baby who appears to be neither fully boy nor girl, but both at once. Only three people are privy to the secret – the baby's parents, Jacinta and Treadway, and a trusted neighbour, Thomasina. Together the adults make a difficult decision: to raise the child as a boy named Wayne. But as Wayne grows into adulthood within the hyper-masculine hunting culture of his father, his shadow-self – a girl he thinks of as "Annabel" – is never entirely extinguished, and indeed is secretly nurtured by the women in his life.
