Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Read before the U. S. Catholic Historical Society, New York, by Rev. A. A. Lambing, May 24, 1886. The discovery, exploration and first settlement of the Western World presents one of the most interesting and varied pictures to be found anywhere in the pages of history. The ambition of explorers, the daring of adventures, the avarice of speculators, the jealousy of powers and the zeal of millionaires combine to form a panamora without parallel in the annals of the world. The pen of romance could not impart a more striking and varied coloring. Spain, Portugal, England, Holland, and France, were there penetrating into the deepest recesses, mountain, forest and plain, seeking with insatiable thirst whatever could excite cupidity, from the soul of a savage to the skin of a beaver. But the methods of exploration and colonization were characterized by the genius of the nation to which individuals belonged, the influence of the home government, the capacity and aim of the leaders, the climate of the country, and the strength and disposition of the aboriginal tribes. This difference is strikingly illustrated in the different methods of the English and French, with whom we have exclusively to deal in this paper. The former, left to themselves with nothing but a royal character, ample enough in its scope, but without any aid towards carrying out its provisions, thrived and became a hardy race on account of the very...
