The first few chapters clarify the real meaning of atheism, reconcile common impressions of many and attempt to provide a clearer view of their standpoints that atheists are people just like you me sharing the planet earth; only they choose not to believe in the existence of an invisible man or entity with claims of higher power also known as "god or creator" to the religious people. This book emphasizes the great advantages of being an atheist who has the freedom and authority to his own being without any stress from a religion or church. Atheism is explained as a position in life and not as a religion as commonly mistaken by many people....
