Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Petite Histoire De Napole on Le Grand: With English Notes, References and Vocabulary Instead of writing a long introduction, a formal preface, or a pretentious preamble, I prefer to address you familiarly, to write a short letter to you, my dear young friends, and tell you, in a few words, what I have done for you, and how you are to derive benefit from my efforts. This little book is the result of much research and industrious gleaning in the best and most reliable biographies of Napoleon. As these numerous writings have become public property, I have availed myself of them. My task, I confess, has been tedious, but I have pursued it not without pleasure, - nay, I have enjoyed it, for I have been working for you. Anything undertaken in the interest of young learners is especially dear to me. Life is short. To read the whole life of Napoleon, would require too much of your own. I give you here merely an epitome of the great deeds of this wonderful man. You cannot but be interested in the perusal of this little work. A modern French author says: Parler de Napoleon C est un titre a plaire, freely translated: To speak of Napoleon is a passport to favor.
