*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Booksurge Publishing, United States, 2009. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This volume of seamlessly-woven poems of joy and loss, mysticism and sensual earthiness, begins on a supernatural shamanic plane. Gradually, as the familiar reality of grass, flowers, trees and stone appears, an escaped slave becomes a river rock to be contemplated as he wears away. The color red stands for moments of peak existence. A drop of dew in Carl Sandburg s garden transforms the poet so she (and the reader) knows that nothing ordinary/would ever exist again. Though the poems are mostly lyrical, there s narrative, too; and lists, lamentations, prayers and eulogies as well. The passing of a mother, father and even a beloved pet are lovingly but honestly documented in sensual language and with surprising insight. But the poet doesn t leave us with loss. Her book is crafted like a sacred circular hoop, and by the end, she s returned to the ethereal state with which she began, leaving us in a place of transcendent joy. With this book, Coleman guides us with her wisdom and experience, forged in the fire of life. Although women will particularly enjoy it, there s something for everyone who seeks the spiritual in this sensual world.
