Brand New Book ***** Print on Demand *****.Equity crowdfunding is going to change our view of capitalism. This book is about more than raising money for a company. It is a book about how business owners can turn their customers into loyal owners. Smart leaders will further transform their investing customers into evangelists for the business. With its ability to leverage social networks to gain market share, crowdfunding offers established local businesses the largest marketing opportunity of all time. Transforming Customers into Loyal Owners Last year, I wrote an article for a local business magazine about the JOBS Act. What I thought was a relatively benign article for people to flip through while sitting in local doctors waiting rooms generated a ton of calls to my office. I realized business owners were thirsting for a new avenue to raise money for their company. Upon some reflection on the response that the article created, I decided that I missed the mark entirely. The opportunity to raise capital using crowdfunding isn't exciting. What is exciting is that local businesses can make their customers into owners. This marketing opportunity is huge! Crowdfunding is the collective effort of individuals to pool relatively small amounts of money into a much larger fund for a specific purpose. Crowdfunding almost always refers to online efforts to get financial backers, but the projects themselves range from disaster relief to political campaigns to arts projects to just about anything else that can be imagined. My book focuses on equity crowdfunding - where a collection of individuals invest in a business with the hope of future financial return. Experienced Wall Street hands believe that equity crowdfunding has little utility. They believe that...
