Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.War is a mere continuation of policy by other means. Clausewitz On the Nature of War. The goal of war, according to the detailed study by Clausewitz in his masterpiece On the Nature of War, is to disarm your enemy so you can bend them to your will. Do we have the manufacturing base to build an army? Where is it? If modern warfare is based on technology, do we build our own computers or cell phones? Who builds them? Do we have the money to rebuild our army? Who is our creditor? If you are honest, you will see that we are on our last legs. We have almost no time left, because we lost the war, our enemy has disarmed us without ever firing a shot and all that after giving us the playbook by which it would be done. This colossal failure of leadership is only possible because of the corruption in our government inherent not with the politicians, but the election process which requires corruption and misdirection to work. This book is about war, corruption and the close link between the two. Corruption in this case is not because there are bad men going into office, but they are corrupted by a system of entitlement and progressively more expensive and beholdng election processes which infinitely successive short terms require. It assumes that the attempts set forth in and other sites to rectify the core problems will fail or will fail to work fast enough. The Chinese explain in detail how they successfully defeated the United States in a book written thousands of years before the war started and which is widely read in the United...
