Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was written during a very isolated time of my life. I was separated from what I know to be my immediate lifestyle to meditate on the greater things within me. I have understood that All For God isn't just a regular book to be passed through the hands of people. Instead, it has been placed into the hands and hearts to inspire; give hope and bring enlightenment. In the time of my life when this book was produced, I have been faced with what I've never been faced with in my life. For the first time of my life, I finally was face to face with myself on a much deeper level than ever! Throughout my life, I ALWAYS used different things to occupy my attention but NOW, when I was faced with being alone and being to myself, I became stressed, depressed, and frustrated. I lost so much weight, negative thoughts were intensifying from within me on every side but after a while of being in that position, ALL I had was God. While under the severe pressure of circumstances, I looked to my faith for support. My confidence level increased more than it was before and God privileged me to meet someone who I have been honored to meet-myself. The man that I've now understood myself to be has a deeper impact of what it takes to write this book and that is the person who introduces everyone to the experience of giving their All For God. Once All For God is read, your awareness of the illumination that will take place throughout your total being leaves you strengthened and refreshed!...
