HISTORICAL BIBLICAL FAITH AND GOD S PRESENT KINGDOM

Xulon Press, United States, 2013. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.We are living in a generation that our forefathers could never have imagined for America. All too often, the Church is too preoccupied with this present world order or to view our present state as hopeless with our only hope being the return of Jesus Christ. However, when we study the Bible, Jesus Christ is stating, as matter of fact, that the Kingdom of God is at hand. That was 2,000 years ago. The fathers of our North American lands did not dwell on the sure return of Jesus Christ without addressing the commission of the Church to be occupied with God s present Kingdom on earth until his final appearing. Knowledge of where believers stand with Christ is essential. Believers are to achieve the life of faith everyday by the power invested in them through God s Spiritual arsenal. Wicked men take by force that which believers give up through unnecessary weakness. Albert Louis Maksel has been a born again believer in Jesus Christ since 1973. Albert has been an avid student of the Bible for nearly forty years. He has served the Church as a Sunday school teacher, Financial Secretary, and Deacon for most of his Christian life. Albert has listed on the Bible Translation Discussion List, Biblical Greek List at , as well as maintaining membership with the Society of Biblical Literature for several years. Albert is married to the former Theresa Shiner and is the proud father of three sons and three grandchildren.
