Brand New Book ***** Print on Demand *****.It is an evident fact that by far the greatest need and interest in a Christian woman s life is to know the reality of Christ in her daily living in relationship with her husband and children. We realize it is not in us as women, but only by Christ living in us, that these relationships may be satisfying to us and honoring to God. Therefore, the studies first emphasize the importance of Christ as the center of the life, His very life in us, and His Lordship over us.
