Reviews

This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.

FOUR TRINES IN VEDIC ASTROLOGY

DOWNLOAD

Unicorn Books, New Delhi, India. Softcover. Book Condition: New. Past few decades have witnessed a phenomenal upsurge in receptiveness to principles and applications of Vedic or Indian astrology in everyday life. Despite this growing acceptance, many continue to associate it with dogmas and superstitions. The book Four Trines of Vedic Astrology provides sound evidences and aims to remove the cobwebs of ignorance. Written in a simple and lucid language over nine chapters, the author has identified the right place of Dharma, Artha, Kama and Moksha houses in ones birth chart. No book has ever been written that relates predictions of houses (Bhavas) in the form of four trines: 1. First trine Purush Trine (Dharma houses) relates to 1st, 5th and 9th houses. 2. Second trine Aishwarya Trine (Artha houses) relates to 10th, 2nd and 6th houses. 3. Third trine Prakrati Trine (Kama houses) relates to 7th, 11th and 3rd houses. 4. Fourth trine Vairagya Trine (Moksha houses) relates to 4th, 8th and 12th houses. Constellations, signs and planets and their characteristics, casting of birth charts in Indian and Western style, significance of yogas and other aspects of life such as, longevity, education, business or service, marriage, financial position, foreign travels, health and remedial measures etc have been explained in the most unconventional way that even a novice would find tempted to read further. Printed Pages: 295.
