

The Gender of the Gift: Problems with Women and Problems with Society in Melanesia

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

THE GENDER OF THE GIFT: PROBLEMS WITH WOMEN AND PROBLEMS WITH SOCIETY IN MELANESIA

University of California Press. Paperback. Book Condition: new. BRAND NEW, The Gender of the Gift: Problems with Women and Problems with Society in Melanesia, Marilyn Strathern, In the most original and ambitious synthesis yet undertaken in Melanesian scholarship, Marilyn Strathern argues that gender relations have been a particular casualty of unexamined assumptions held by Western anthropologists and feminist scholars alike. The book treats with equal seriousness - and with equal good humor - the insights of Western social science, feminist politics, and ethnographic reporting, in order to rethink the representation of Melanesian social and cultural life. This makes "The Gender of the Gift" one of the most sustained critiques of cross-cultural comparison that anthropology has seen, and one of its most spirited vindications.
