

Decisionology: A Guiding Compass for High School Students

By Daniel P Gates

iUniverse, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.According to author Dan Gates, decisionology is the analysis, study, discussion, and exempling of the decisions that may determine the direction of your life. We put so much emphasis on the decisions and choices that high-school students are making and will continue to make for the rest of their lives because these choices can potentially create- or destroy-a bright future. Decisionology is designed to be a simple and effective resource that can be used whenever challenges or decisions arise. This guide does not provide the answers required in a given situation; rather, it explains the many different types of decisions that are available and the potential consequences that each may bring. Dan Gates Book, Decisionology, should be mandatory reading for the parent as well as the child as it definitely emphasizes the consequences of one's decisions and more importantly-it prepares the students and parents for the decisions that are certainly coming and have to be met. -Hon. Ed McLean, Sitting District Court Judge, Fourth Judicial District for Missoula and Mineral Counties in Montana Decisionology provides a plethora...
