Aspen Law & Business, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Zeroing in on the topics that are truly essential to law students, Hamilton & Booth organize their book into short sections that can be consulted for answers to specific questions. BUSINESS BASICS FOR LAW STUDENTS, Second Edition, builds from basic to sophisticated subjects: Accounting & Financial Statements Federal Income Taxation Basic Forms of Business Life Insurance Real Estate Securities Law Time Value of Money & Valuation The authors bring law students "up to speed" quickly; no prior knowledge of business concepts is required for understanding. While they condensed the book to 19 (from 22) chapters, Hamilton & Booth incorporated a host of important information, including: LLCs & other unincorporated entities; why they exist & common problems small business financing executive compensation fairness opinions derivative securities new ways of trading securities & commodities, the increasing importance of institutional investing, & the impact of derivative products new insurance products & the growing significance of insurance concepts in legal reasoning fundamental changes in the economics of law firms friendly transactions & planning issues in connection with mergers & acquisitions Key terms & concepts appear in bold type when they are introduced. Instead of a regular glossary, BUSINESS BASICS FOR LAW STUDENTS offers a word list at the end of the book that sends readers to the page where the term is first defined, putting its definition in context. With more detail than other business concepts books, unique coverage of finance, & greater flexibility for use with a wide range of course materials, BUSINESS BASICS FOR LAW STUDENTS, Second Edition, is the sensible choice for students & instructors alike.
