HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Nuclear Jellyfish, Tim Dorsey, Just when you thought it was safe to go online . . . Serge has returned! That loveable collector of trivia, souvenirs, and murder methods is back with a new A‑Tour of Florida. And this time he's out to set the record straight! He's forced into the only logical course of action--go shopping at the Home Depot. And this only raises more questions: Who is tutoring strippers through the community college? What sparked the grudge match between coin and stamp enthusiasts? How'd the astronaut in diapers get involved? Why does Serge have to stop at the NASCAR superstore? Where did all these diamonds come from? And does Lynyrd Skynyrd hold the key to everything? It all starts with a tragic tattoo parlor mishap and soon nobody is safe, especially the person on the Robert De Niro stool, because, after all, Serge has to sit there or what's the point...
