Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Da Capo Press. Paperback. Book Condition: New. Paperback. 366 pages. Dimensions: 7.9in. x 5.4in. x 1.1in. Following the course of Civil War campaigns can be taxing for even the most well-read military scholar. The operations at major sites such as Vicksburg, Gettysburg, and Petersburg were complicated matters, with generals on each side commanding infantry and cavalry brigades from different positions and making simultaneous movements along complex geographic routes; the battles were less climactic moments than prolonged struggles marked by continual flux. But Theodore Ayrault Dodge makes it easy. With his well-drawn maps, his positioning of each movement with its date and, where important, time, his enumeration of the size of and the losses suffered by the various forces engaged, Dodge makes every episode of this long war clear and comprehensible. His concise military history of the American Civil War evenhandedly treats major and minor operations with the space each deserves, presenting a kind of skeleton of the Civil War. Here is perhaps the only general history that avoids over-detailed descriptions and technical terms, withholds partisan bias, treats generals on both sides with admiration and respect, and communicates elegantly yet succinctly, calmly yet vividly, the entire course of the conflict that changed the way men and nations make war. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
